

Spring, 2009

Dear Members:

I am delighted to welcome you to the 2009 Mackinac Island Yacht Club season.

Your Executive Committee, Staff and I are very enthusiastic about our new up coming season at MIYC. We have been diligently preparing throughout this past off season for what we feel will be a great year filled with events for everyone.

This year you will have the exciting opportunity to socialize in the newly redecorated Club House. The living area will respectfully reflect the historical preservation of our Mackinac Island Victorian era cottage with the addition of a magnificent circa 19th century mantel, warm wood beam ceilings blended into Yacht Club atmosphere new furniture. In parallel, the deteriorating northwest corner structure of the Club House was rebuilt with success.

As you know, MIYC is one of the best locations to enjoy some exquisite meals and socialize with new and old friends. Drawing upon our successes of previous years, we hope you will once more take advantage of our great shoulder season room specials.

We are looking forward to seeing you, your family and friends enjoying another memorable season at Mackinac Island Yacht Club.

Best Regards,

David Rowe
Commodore – Mackinac Island Yacht Club
