7. NO SKIPPERS MEETING

The MIYC and the Round the Island Committee (RIC) have determined not to hold a skippers meeting which would only force you to listen to a bunch of boring announcements and self-congratulation. A careful reading of these sailing instructions should provide the information you need in order to race. The one exception to that concerns the section assignments. Entries can be accepted as late as Wednesday morning until 10:00 am. Therefore the final section breaks and final assignments will be announced via radio (channel 71) on Wednesday, July 21, beginning at 12:00 noon EDT.

8. SIGNALS AND COMMUNICATIONS ASHORE

Visual signals ashore shall be displayed from the flagstaff in front of MIYC.

Sound signals shall be by air horn. The Race Committee may make a courtesy radio broadcasts to provide further information to competitors.

9. COURTESY BROADCASTS

It is the intent of the Race Committee to make extensive use of courtesy broadcasts over VHF channel 71. These broadcasts may include information regarding section assignments, descriptions of and countdown to race starting signals, identification of OCS (premature starters), and any other matters the Race Committee believes will enhance the understanding of the race by the competitors, including possible changes to the sailing instructions. A change to a sailing instruction on the water will be made before the first warning signal by means of the Race Committee displaying code flag "L" and providing the change via VHF channel 71. This conforms to RRS 90.2(c). Courtesy broadcasts may not be the subject of Requests for Redress. This changes RRS 62.1(a).

10. RADIO COMMUNICATION

Except in an emergency, a boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to mobile telephones.

11. SCHEDULE

The race shall be held on July 21, 2021. The race will be started in accordance with RRS 26. The first Warning Signal will be at 1:00 pm EDT. The starting sequence shall be as follows:

The finish line will be located between the flag on Windermere Point and the Round Island Lighthouse located on Round Island. (The same finish line as the Chicago to Mackinac Race.)
